SCNZ DISTRIBUTOR CHARTER – NOW IN PLACE

SCNZ is pleased to announce the following SCNZ Distributor members have been independently audited to satisfy the requirements of the SCNZ Structural Distributor Charter:

- Alrite Steel & Services NZ Ltd
- Fletcher Easysteel
- H.J. Asmuss & Co Ltd
- Steel & Tube
- United Steel
- Vulcan Steel Ltd

Well done to all!

Darren O’Riley, SCNZ General Manager, presented these distributors with their Charter certificate.

The Charter ensures that structural steels supplied to the local steel construction sector are sourced using best-practice procurement; it represents a mark of excellence for structural steel distributors in New Zealand.

For more information on the SCNZ Distributor Charter please click here.

ADVANCED NOTICE OF ENGINEERING SEMINARS & COURSES

Planning is well underway for two new professional engineering seminar courses. The courses will be of particular interest to all practicing structural engineers who’s role include design, construction review and the management of compliance for steel frame construction.

Courses are scheduled to be held in May 2020. Further information will be available on the SCNZ website early next year.

EXCELLENCE IN STEEL AWARDS 2020

Entries are open for the next round of SCNZ awards for 2020!

The project categories are:
- Stand-alone residential home
- Under $500K*
- Over $500K to $1.5m*
- Over $1.5m to $3m*
- Over $3m*

*based on total value of structural steelwork.

Please click here for full information and an entry form. Entries close 3 July 2020.

APPRENTICE OF THE YEAR & YOUNG ACHIEVER OF THE YEAR

Do you have an Apprentice or Young Achiever that is due recognition for their skills and drive within our industry?

Entries for the AotY and YAotY are now open. Check out the details and entry form here.
